

Save with Keystone HMO Proactive

Keystone HMO Proactive health plans use a tiered network, so you save on monthly premiums. Plus, you have the option to save even more on your out-of-pocket costs each time you receive covered services.

How you'll save

Like a typical HMO, you select a primary care physician who can refer you to specialists. You can visit any doctor or hospital in the Keystone Health Plan East network.

We grouped our network into three tiers based on cost and, in many cases, quality measures. While all of the doctors and hospitals in our network must meet high quality standards, many offer services at a lower cost.

You'll pay the lowest out-of-pocket costs when you visit doctors and hospitals in Tier 1 – Preferred, which includes more than 50 percent of doctors and hospitals in the Keystone Health Plan East network. But the choice is always yours, and you can choose Tier 1 – Preferred for some services, and Tiers 2 or 3 for others.

Also keep in mind:

- For some services, your out-of-pocket costs are the same no matter what doctor or hospital you use, including preventive care, emergency room visits, and urgent care.
- For some services, like surgery, you pay out-of-pocket costs for both the facility and the performing doctor. To save the most money, you'll want to make sure both are in Tier 1 – Preferred.

See the back for a list of Keystone HMO Proactive hospitals by tier.
